

PLAYSHOP ETIQUETTE AND INFORMATIONS

Aloha dear Ukulelistas !

Finally! We're going to meet at the end of the week in the ufaFabrik. We wish you an inspiring weekend where you will meet wonderful people from all over Europe and Germany, artists and teachers who will teach you their way of playing.

To get the most out of the playshops, we would like to share some ideas to be considered before class.

Playshops are meant to be an inspiration that may help improve your style and play. These 60 minutes will be shared with 10-50 participants. Please don't expect to be perfect at the newly learned skills. Mastery demands time and constant exercise.

You may want to ask your teacher if you can tape the playshop.

To get the most out of that special time with the teacher, please ask your questions at the end of the Playshop.

Here's a small **Checklist:**

1. Got your Ukulele with you? And very important: is it you tuned?
2. Did you pack your tuner in?
3. What about a music stand?
4. Good pencil and notepad?
5. Recording device?
6. Curiosity and pleasure to stretch your brain?
7. Patience - for you and everybody.

Let's share the Aloha way of music together. Looking forward to see you.
